

IntelliBots™

Build, code, and test intelligent robots!

Designed for children in grades K - 6

Thursdays from 3:35 PM to 4:35 PM (9 weeks)
September 21, 2017 to November 16, 2017

In **IntelliBots™**, children build, program, learn about, and play with **M.A.X.™**, a programmable robot with artificial intelligence! They get hands-on experience with mechanical and electronic systems. They learn coding and programming logic while they work with M.A.X. in a variety of engaging and interactive ways.

Hi, I'm M.A.X.! Learn about my artificial intelligence systems while you build and program me. Let's learn and have fun!

Join us at after-school at
Coonley for IntelliBots!

Control me using
voice commands,
remote control,
and coding blocks!
