

IntelliBots 2

Build, code, and test intelligent robots!

For new and continuing students in grades K - 6

Thursdays from 3:35 PM to 4:35 PM (11 weeks)
November 30, 2017 to February 22, 2018

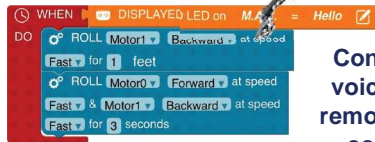

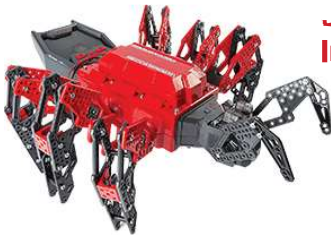

In **IntelliBots 2**, children build, program, learn about, and play with MeccaSpider, a robot with artificial intelligence! They get hands-on experience with mechanical and electronic systems. They learn coding and programming logic while they interact with their robot in a variety of engaging and interactive ways.

Learn about artificial intelligence systems while you build and program a kid-friendly spider robot. Watch out for spraying 'venom'!

Join us for
IntelliBots!

Control me using voice commands, remote control, and coding blocks!
