The council discussed the proposed relocation of Noble Street Academy High School to 640 West Irving Park, the building lately occupied by the Lycee Francais. The CPS Board of Education is scheduled to review the proposal at their May 27 meeting.

The council discussed whether or not to adopt a draft resolution indicating opposition to the relocation of Noble Academy. Points both for and against adopting the resolution were raised, and it was noted that a number of surrounding LSCs had adopted similar resolutions. The council agreed that the resolution would be shared with several elected officials with a cover letter clarifying the council's reasoning for adoption.

Jenkins moved to adopt the draft proposal. Prendiville seconded, and the motion passed unanimously.

Jenkins moved for three council members (Jenkins, Bahrmassel, Prendiville) to draft a cover letter to the resolution. Chan seconded, and the motion passed unanimously.

Storrie moved to adjourn. Jenkins seconded, and the motion passed unanimously.

**Meeting adjourned at 6:17pm.**
