

## Activate your Account

**It's time to activate your application account. This will allow you to:**

Create a username and password.

Create your parent/guardian profile.

Create profiles for each high school student in your family.

Link student data records for current CPS students to the profile.

View the programs your children are eligible to apply to.

Verify that student records are accurate, and request updates and corrections.

"Favorite" programs that students are interested in applying to in October.

*Activation codes were sent home at the end of last school year, please contact the Office of Access and Enrollment (773.553.2060) if you do not have this code.*
