PICTURE DAY ORDERING THAT WORKS FOR YOU!

Order your way by returning the order form envelope to your school or order online via a private URL and password that you will receive with your proof. You may even order online using your iPad or cell phone!

Order by the deadline for best pricing options!

PREPARING FOR PICTURE DAY

In preparing your child for school on her/his scheduled picture day, you should consider what they are wearing. Your child will be photographed on a white background (colored and digitally inserted backgrounds are not available) so most colors are going to look great. Please avoid sending your child to school in white or extremely light colors, as their clothes may blend into the background. Also, busy patterns and/or neon colors may be distracting.

RETAKE INFORMATION

We recognize that every day isn't a perfect one for pictures so we'll be offering a retake opportunity after everyone has received their proofs.

Retake day is: **October 24th** If you are interested in scheduling your child for a retake, please visit www.picture-day.com/retake. Please indicate, to the best of your ability, the reason for attending the retake so that we can do our best to provide you with a picture you love the second time around.

SIBLINGS

We love siblings! Have your children photographed together on retake day. You can sign up at www.picture-day.com/siblings

ORDERING PROCESS

You will be receiving a proof order form about 3 weeks after your child's Picture Day. There are two ways to order: You can send your order back to the school using the order form or you can order online using the secure web address and your child's password printed on your order form.

Please note that after the final deadline we have completed the school order process. If you miss the deadline, fear not there will be a "Last Call" web gallery to order from. **After the deadline, packages are not available and pricing reflects individual ordering.** Last Chance web orders are delivered directly to your home.
