SelectivePrep Selective Enrollment Exam Preparation Program – Coonley Elementary Students

Get your child into one of the Chicago Public School's Selective Enrollment High Schools. Competition for admission is fierce and intensifying – last year over 16,000 students applied for only 2,800 available openings.

One third of the entrance score is determined by your child's performance on the Selective Enrollment High School Entrance Exam. The SelectivePrep Program includes:

- **Diagnostic test.** Initial assessment that provides a detailed analysis of individual student strengths/weaknesses.
- **Interactive classroom program.** Comprehensive 16-hour hands-on classroom program tuned to actual Selective Enrollment Exam content.
- **Focused classroom materials.** Rigorous review of Selective Enrollment topics developed by test prep experts.
- **400+ page Study Guide.** Hundreds of review questions (including answers and step by step solutions).
- **Instructor updates.** Regular and specific updates on student performance and in-class quizzes.
- **Practice test review.** Full length administration & review of Selective Enrollment Practice Test topics.

Tuition for the SelectivePrep Program is \$450. A minimum deposit of \$100 is required to hold your spot, with the balance due the first class. Class size is limited to 20 students, so don't delay.
